

PROJECT NAME: SportScout
TEAM MEMBERS: Stancu Adrian, Andru Aluculesii,
Barbu David, Theo Dumitraşcu

IDEA IN SHORT: an app for all the sport lovers
that struggle to find enough players

Hardcore entrepreneur hackathon 3.0

1.PRODUCT - PROBLEM WE SOLVE

SportScout is an app created to help
you find payers in long or short time for
football , baschet and tennis sessions
providind you with some picth ideas
that you may find attractive

2. OUR TARGET GROUP

We target mostly teenagers that
usually are spending more time on
the field, but struggle to find
enough players for a serious match

3. SMART OBJECTIVES

- finding teammates
- everyone has a rating that you can
be sure that you want them in your
session
- helping for improving your health
and keep you fit
- easy to search and work with
- host your own sessions

4. PRICE

The app will be free but you can
acces special features with a
subscription in the future

Prioritise your session in time

5. PROMOTION

youtube and google ads
the app wil be more known when
people will be using it and
talk recommend it
